**15. Multidisciplinary / interdisciplinary**

Saheed Anurup Chandra Mahavidyalaya (SACM) has been working on holistic and multidisciplinary education for past few years to

develop social, physical, intellectual, emotional, and moral capacities of its students in an integrated manner. After implementation of CBCS and thereafter NEP-2020, the curriculum, which is already Credit-based, has become much flexible and interdisciplinary combinations.

The COs and POs have been designed giving emphasis on disciplinary knowledge, critical thinking, problem solving, analytical, communication skills and alike. The opportunities of doing research are inculcated through holistic and multidisciplinary approach. Some Patents and Copyright have been filed where faculty members and students from multiple departments participated.

#### **16.Academic bank of credits (ABC):**

The affiliating - University of Calcutta has already taken initiative towards ABC and accordingly, on 5th October 2023 a Workshop was organized on ABC where Experts came from New Delhi and presented the advantages and operations of "DigiLocker" of Govt. of India. The Principal and IQAC Coordinator of SACM was present in that Workshop and supported the implementation. We believe that very soon ABC will be implanted through this DigiLocker.

#### **17.Skill development:**

Skill Development for the students have been given utmost priority in the college in line with the NEP-2020 to make the students self-sustainable and thus to build the "Atmanirbhar Bharat". The college has itself designed 25+ value added courses out of which some are true skill-based. The college has signed with 10+ industries to impart skill-based training to the students to prepare for better employability. Apart from this, Life skills is also taught to students.

The Institution conducts 26 add-on courses for the students of our College.

1. Certificate course in Office Management and Desktop publishing,
2. Certificate course in Communicative English, where the soft-skill required for the job are being taught. There are many Skill Enhancement courses in the CBCS curriculum of each Department, where students can develop their skill in the respective field under the subjects.

#### **18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)**

The college believes on the comprehensive knowledge system of Indian heritage and culture and the Indian way of doing things. The college

emphasizes on the 3 important attributes of IKS - Jnan, Vignan, and Jeevan Darshan. Although the curriculum has different courses aligned to IKS, the college has signed a MOU with one professional organization - "Yoga and Happiness" through which one certificate course on Yoga and Happiness runs in the "Yoga and Wellness Centre" of the college. The Library has a separate "Religious Section" where books from all major Religions like Hinduism, Islam, Christan, Buddha, Jain, Jewish, Confucius etc are available.

In the CBCS curriculum of Bengali, there is more scope and emphasis on teaching in Indian Language and Culture in the LCCs, (Language Compulsory Courses) DSEs (Discipline Specific Courses) and AECCs (Ability Enhancement Courses). As a part of the Indian Knowledge System, the college introduced a certificate Course on Yoga and Life Skills to imbibe Indian culture for physical fitness and mental wellness among the students.of the institution.

#### **19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):**

The college has shifted from Teacher-centric teaching-learning to Student-centric teaching-learning methodology where the course delivery, assessment are planned to achieve stated Outcomes. For each course, proper COs and for each Programme, proper PSOs have been designed. The COs are mapped with respective POs and PSOs. CO Attainment and PO Attainments are calculated using Direct and Indirect methods with proper weightage.

In the different programs of CBCS there are practical courses such as Geography Hons., Physical Education and Computer Science. It also has SECs (Skill Enhancement Courses) in all the subjects which come under outcome-based education. A system of outcome-based education is being conducted in the college through different add-on courses.

#### **20.Distance education/online education:**

After the Covid-19 pandemic period, the college became competent enough to conduct online classes, meetings, webinars etc. and thus online education has become a part of ongoing teaching-learning process. Many Seminar/Workshops/FDP etc are conducted in blended mode. The college developed its own LMS through which online classes were conducted during pandemic days.

### CURRICULAR ASPECTS

#### 1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

Saheed Anurup Chandra Mahavidyalaya is in the continuous process of self-improvement. The CBCS syllabus designed by the parent university (University of Calcutta) has been implemented since July, 2017. Systematic steps are taken for the delivery of quality education. The preparation for the same commences with a departmental committee meeting held prior to the commencement of each academic session. Various aspects such as completion of curriculum-based teaching is planned along with all other aspects of the academic calendar in the IQAC meeting. An Orientation Programme at the beginning of each academic year introduces our students to the structure of their curriculum and acquaints them with the framework of curriculum delivery. Our teachers maintain registers and diaries to chart their progress in the transaction of syllabus. To facilitate the teacher- student exchange of views and to diminish the communication gap, individual What's App groups are created for every subject. We thus strive for the effective spread of education and use effective and structured steps to achieve our goal.

### 1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

An academic calendar is prepared by the concerned official at the beginning of each semester in synchronization with the University's calendar. Academic Calendar of 2022-23 is prepared by the college following university circular. 1. Time Table - The class routine sub-committee prepares the time table as per the guidelines of the affiliating university for the required number of credit hours for each course and as mentioned prior to the commencement of academic session. 2. Course files and Lecture Plan- After the allocation of course module to the faculty member's course file of each subject is prepared. Each course file is duly approved by respective Heads of the Departments. 3. Examinations- Detailed Examination schedule is announced in advance by academic committee. Internal viva and practical exams are conducted by the respective departments before/after the university examinations. 4. Exam sheets evaluation- The answer sheets are received through the online college portal. These are re-checked in each department to ensure transparent and unbiased evaluation. 5. Every teacher conducts regular class tests on the related topic for practice and revision of students. 6. Academic Monitoring- Departmental Head maintains a monthly monitoring report on course coverage, student attendance and assignment provided for every subject.

**1.3 - Curriculum Enrichment****1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum**

**Cross Cutting Issues in the CBCS Curriculum** CROSS-CUTTING ISSUES are topics that are identified as important and that affect and cut across most or all aspects of development. Mostly identified issues as cross-cutting in the field of Education are Gender, Environment and Sustainability, Human Values, Capacity-Building, Inequality and Climate Change. These are called crosscutting because they can't be taken as isolated issues, because they affect all other sectors. If these issues are not tackled, the successes will be very limited. So nowadays these topics should therefore be integrated and mainstreamed throughout all stages of development from policy design to implementation, evaluation and learning.

The Institution integrates Cross-Cutting Issues through the The curriculum of Semester-wise CBCS as prescribed by the Parent University in different Courses offered under B.a./B.Sc./B.Com. (Honours and General programmes. There are various such issues in the curriculum of Bengali (Honours/ General) programmes, Political Science (Honours and General) programmes, History (General) programme and Ability Enhancement Compulsory Course (AECC-2)/ Environmental Studies.

## 2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The institutions need to evaluate the effectiveness of their teaching strategically by measuring the extent to which students are learning the course materials in the classroom. Student assessment is a critical aspect of the teaching-learning process. As prescribed by the parent university our institution organizes periodical tests, unit tests, internal examinations, etc. to assess the learning levels of the students. All the above-mentioned tests and examinations are conducted regularly at the end of each semester. Apart from the adverse situation due to the COVID-19 pandemic, the institution successfully and efficiently organizes various tests and examinations in online, offline, and blended modes. However, no special programs for advanced and slow learners have been organized in the session due to the COVID-19 pandemic. After the reopening of the institutions, all assessments are organized in offline mode as it was before the lockdown and pandemic.

## 2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

Some methods and improvisations have been adopted by different departments. Our colleagues make the teaching and learning process more effective, some of which are mentioned below. 1. Departmental Seminars are organized, where the students, participate in organizing and conducting it. 2. Several Webinars are organized by several departments throughout the year, especially during the lockdown period, where eminent persons from relevant professional fields are invited as resource persons. The Students actively participate in organizing such seminars and are provided with participation certificates. 3. Department of Geography, Physical Education, Political Science and History organizes an educational field survey every year as a part of their course curriculum. Before going to the field study area, students do the pre-field work. 4. Experimental learning is done by the Lab-based departments, such as Geography, Computer Science, Physical Education and Commerce. The students perform the laboratory exercises and submit their practical notebooks for examination. 5. Throughout the year, the departments conduct various activities such as Quiz programs, Assignments, Tutorials, Remedial classes, Cultural activities, etc. These sort of participative learning under the supervision and valuable guidance of the knowledgeable faculty members of this college enhances and boosts the confidence level of the young students.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

The College has dedicated computer labs and smart classrooms. Each department is furnished with dedicated computers used for teaching-learning. Faculty members of the Departments like Geography,

Computer Science, Economics and Commerce use digital display pads with pens to ensure demonstration pedagogy. Arts departments like Bengali and English also present movie adaptations of texts and various topics. The College Library is on the way to becoming fully computerized. Photocopying and scanning facilities are available. During the COVID-19 pandemic, ICT facilities were fully availed for

conducting the classes (for both theory and practical), admission procedure, verification of relevant documents, and University registration. State-level webinars and studentwebinars were also conducted during the pandemic period. All the Teachers use Overhead Projectors to disseminate knowledge.

LCD Projectors are used to give PowerPoint presentations. E-Resources are also shared with students to augment their knowledge.

## 2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

Saheed Anurup Chandra Mahavidyalaya has a well established tradition of transparent and robust mechanism of internal assessment subject to the regulations of the affiliating University. In the CBCS mode, the University has introduced the semester pattern. In the current system the Internal Assessment in this institution consists of attendance, and project/tutorial submission. Internal Assessment examinations are taken in all CC, GE, SEC, DSE and AECC Courses. Student counseling continues as part of the in-built teaching-learning strategy. In the CBCS system, other than normal class room teaching learning methods, if it is necessary for any student, the

institution proposes some special guidance for the comparatively weak students like regular interaction with Departmental teachers and parent-teacher meeting.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

The institute maintains quite hard transparency while dealing with the internal examination-related grievances. The institution strictly adopts and follows all the directions given by the Parent University. Under the complete supervision of HoDs all evaluated and verified answer scripts are preserved. The marks obtained by the students in internal assessment tests are uploaded accordingly on the university web portal along with their attendance. Queries if any discussed with the faculty members and HoDs initially and also consulted with the principal.

If the students are facing any problem or any grievance arises during the conduction of the examination are considered and discussed with the head of the institution and if required forwarded to the university as early as possible. All issues related to results, corrections in marks obtained and other certificate-related queries are carefully addressed by the institution. Students are allowed to apply in writing for reevaluation, correction, recounting and challenge the evaluation by paying necessary fees to the university. All the queries, issues and grievances are followed accordingly till redressed by the university and a satisfactory solution of it within fifteen days.

## 2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

The institution presently offered six honors programmes in the

subjects i.e. Political Science, History, Bengali, English, Philosophy and Geography and three general programmes i.e. B.A. General. B.Sc. General and B.Com. General. Therefore the institution has nine academic programme running under choice-based Credit System (CBCS). Both students and teachers are aware of stated programme and course outcomes of the programmes offered by the institution. Such that students complete the requirements for various honours and general degrees and after graduating they can opt the subject in their Masters degree in various universities. They can engage themselves in school teaching, and prepare for various competitive examinations like WBCS, UPSC etc. They can also appear in other competitive examinations that look for fresh graduates and can also develop communication skills, computer proficiency and other analytical efficiencies that help them in their further studies and in securing a good occupation.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The institution presently offers six honours programmes and three general programmes. Therefore the institution has nine academic programmes running under the Choice Based Credit System (CBCS). In the three years of honours and general courses under CBCS the curriculum consists there in a continuous evaluation of the attainment of programme and course outcome. The total programme outcomes and course outcomes are evaluated through various internal, theory, tutorial and practical examinations. As prescribed in the CBCS, in the middle of each semester the institution conducts internal examinations and tutorial examinations are taken in the form of term papers or project work. Students' percentage of attendance is also evaluated. At the end of each semester theory and practical examinations are conducted by the Parent University. Evaluation of attainment of programme and course outcomes is done with the help of the results and marks obtained by the students. In the process of evaluation if any department lacks anything to get up to the mark at any point of time, then such loopholes are to be presented and discussed in the Academic - Sub Committee and IQAC where various democratic decisions are taken to check such loopholes

and to make the attainment better in future.

3.3.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

1.The institution has active NSS corps functioning and students are actively encouraged to enroll in them for obvious reasons: chief among which is that it has helped many students to overcome their initial hesitation and has successfully transformed themselves as a much more confident individual. The NSS unit have enjoyed an illustrious past that includes not only successful placements but also different community outreach programmes that benefit the adjacent locality through different programmes like:

1.Voluntary blood donation camps

2. Health awareness camps

3. Regular environment-oriented activities

4. Clean-up activities

5. Tree-plantations.

\* The college has time and again hosted both virtual and physical open-access talks and seminars on such vital issues as

\* COVID-19 Awareness and Prevention

\* Mental Health and Problems

\* Gender issues and sensitization

.The college has undertaken the Swachh Bharat initiative through which Students and Teachers actively participate in the special cleanliness drives within the college premises and adjacent areas. Rallies on themes connected with 'Swachh Bharat Abhiyan' in and around the college campus are organized to create mass awareness on such issues.

## INFRASTRUCTURE AND LEARNING RESOURCES

### 4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc.

In our institution, there are immense adequacies of smart classrooms. Total of 9 smart classrooms in our college, 7 are funded by RUSA, 1 classroom is constructed by UGC Fund and 1 made from State Government Fund. In every smart classroom, there are computers, smart projectors, and whiteboards. Our experienced teachers use these ICT-based classrooms to teach our students. Public address systems and digital podiums (funded by RUSA) are present in each classroom.

Every department has its classroom as well as a steel almirah for keeping text and reference books, answer scripts, stationeries and other documents from where the teacher and student can use their required books. We also have well well-equipped & furnished computer laboratory where the student can avail practice sessions required for their compulsory computer courses. We also have two subject-based laboratories, one for Geography and another one for Physical Education. Every lab is well equipped with modern laboratory instruments along with computers, where the students do their practical work.

## 6.2 - Strategy Development and Deployment

### 6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

As per the perspective plans as pointed out in the 6.1.1 matrix, the institution is headed to executing those within a stipulated timeframe. Most of them have been already done from June 2021 to May 2022. Using the RUSA 2.0 Grant most of the infrastructural development has been made and some renovation works also have been completed. Overall 10 classrooms have been converted into smart classrooms with a projector facility and high-quality sound system for improving the teaching-learning system. Three new construction works started, namely Boy's and Girl's toilets, Staff toilets and the principal restroom with attached toilets. Six rooms including the computer and geography laboratory, library and students union room is air-conditioned. Construction of a new cycle stand has also been completed this year. In this session also, thousands of quality

books as per CBCSSyllabus are bought for the twelve different Departments of this institution. Various laboratory instruments are also arranged for the Department of Geography and Physical Education to improve their practical infrastructure as per the CBCS syllabus.

### 6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

All the teaching and non-teaching staff constitute the Human resources of the college. Academic and administrative performance diaries for each of the faculty members and support staff are maintained for monitoring the timely execution of academic plans and for providing students services within the scheduled time. All the teachers and non-teaching staff have to fill out their daily diaries and subsequently submit them to the IQAC for verification and checking at the end of the semester. After the successful verification diaries need to be sent to the principal. The principal then keeps all the diaries in her custody for future reference. The IQAC of the college always keeps a close eye on the academic performance and progress of teaching and non-teaching staff. During an IQAC meeting, all these things are thoroughly discussed, and if any discrepancy happens from any part, the IQAC with their valuable suggestion, correct as early as possible. Moreover, IQAC always motivates its teaching and non-teaching staff to do something better in their fields which eventually can help the concerned teachers in their appraisal as well as provide some excellence and quality materials to the students.

#### 6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

The college is located in a remote and rural area. The college authority is always keen to maintain resource mobilization strategies for its optimal utilization as the college authority has very little funds.All the instruments are under the supervision of technical personnel. If there is any technical snag that happens it is brought under the higher authority. The authority will then take timely action. There is a shortage of classrooms in the college. The College authority has decided to use some rooms for a common purpose

to make up the issues related to it. There is no auditorium facility in the college. In this case, a smart classroom is used for this purpose, moreover, a computer lab is used during different meetings whenever needed. The Department of Geography has been using its laboratory as a classroom for its students. The college hostel ground is used for field activities of the Department of geography and physical education. All the aged instruments are being replaced by new instruments and further, all these are placed wherever and whenever needed. Old sanitary and plumbing instruments are being placed in various rooms.

## 6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

IQAC of this college plays an important role in the quality assurance strategies and processes. Among the various initiatives taken by the IQAC to meet the standard of quality assurance of the

college, two of these initiatives are discussed below- 1. The IQAC of the college has initiated the seminar and webinar

programme during the academic session of 2022-23, a total of 5 departments have organized national and international level webinars in the previous session. Thousands of students and faculty from different colleges and universities have actively participated in these programmes and eventually made it a grand success. 2. Also several student seminars are organized by the different departments of the college and students are motivated by the teacher to join these programmes to build up their confidence in their academic excellence. All the departments are instructed by the IQAC to prepare an E-magazine and introduce faculty exchange programmes. All the departments presently using ICT techniques in teaching-learning procedures with 100% efficiency as per the IQAC instruction.

## 7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

#### Best Practice-01: Beyond Curriculum Training on Value Added Courses

This best practice is included for making students industry ready and empowering them for employability, higher education and self-entrepreneurship.

##### Objectives of the Practice

- To bridge the gap between industry and academia
- To enhance soft skills to groom the students to make them smart and presentable in the job market
- To prepare students with some distinct skill set as per market demand for better employability.
- To prepare students with some distinct skill to show the avenues for interested students toward entrepreneurship.

#### Best Practice 02: Community Development Initiatives:

Enabling humanitarian activities by the students leading to their involvement in enrichment of living conditions for the socially and economically disadvantaged and overall community development.

##### Objectives of the Practice:

- To actively assist in the development of the economically and socially backward community of the remote villages in surrounding areas of the institute
- To encourage faculty, staff and students to be empathetic with the economically and socially weaker sections of the society by providing direct and indirect support and aids
- To encourage gender equity activities and issues in women and education.

### 7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

### Institutional Distinctiveness: Holistic Development:

Academic development is not possible without extra-academic and co-academic/co-curricular development of a student because these are the tools which help to shape a student towards as a mature and responsible citizen of the country which is very vital for nation building. SACM since its inception 1991, emphasizes on such extra-academic activities due to the principles and ideologies of its founder - Martyr Anurup Chandra Sen, who was a freedom fighter. Since then, the college has focus on the holistic development of its students.

Distinctiveness is a unique identification and recognition of any Institution or Organization, usually for the betterment of the mass, which is built years long continuous focus and concentration on this particular identification of an institute/organization. In SACM, Holistic Development, which is essential and necessary for the overall growth of a student, has got a unique identification and recognition in the surrounding area of the district of South 24 Parganas. This is aligned with the mission and vision of the institute. Some of the major tools towards the holistic development of the students are through Institution's best practices, BCT, NSS, NCC, Co-Curricular activities etc

## Part B

### CURRICULAR ASPECTS

#### 1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

Saheed Anurup Chandra Mahavidyalaya is in the continuous process of self-improvement. The CBCS syllabus designed by the parent university (University of Calcutta) has been implemented since July, 2017. Systematic steps are taken for the delivery of quality education. The preparation for the same commences with a departmental committee meeting held prior to the commencement of each academic session. Various aspects such as completion of curriculum-based teaching is planned along with all other aspects of the academic calendar in the IQAC meeting. An Orientation Programme at the beginning of each academic year introduces our students to the structure of their curriculum and acquaints them with the framework of curriculum delivery. Our teachers maintain registers and diaries to chart their progress in the transaction of syllabus. To facilitate the teacher- student exchange of views and to diminish the communication gap, individual What's App groups are created for every subject. We thus strive for the effective spread of education and use effective and structured steps to achieve our goal.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

An academic calendar is prepared by the concerned official at the beginning of each semester in synchronization with the University's calendar. Academic Calendar of 2022-23 is prepared by the college following university circular. 1. Time Table - The class routine sub- committee prepares the time table as per the guidelines of the affiliating university for the required number of credit hours for each course and as mentioned prior to the commencement of academic session. 2. Course files and Lecture Plan- After the allocation of course module to the faculty

member's course file of each subject is prepared. Each course file is duly approved by respective Heads of the Departments. 3. Examinations- Detailed Examination schedule is announced in advance by academic committee. Internal viva and practical exams are conducted by the respective departments before/after the university examinations. 4. Exam sheets evaluation- The answer sheets are received through the online college portal. These are re-checked in each department to ensure transparent and unbiased evaluation. 5. Every teacher conducts regular class tests on the related topic for practice and revision of students. 6. Academic Monitoring- Departmental Head maintains a monthly monitoring report on course coverage, student attendance and assignment provided for every subject.

### 1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

Cross Cutting Issues in the CBCS Curriculum CROSS-CUTTING ISSUES are topics that are identified as important and that affect and cut across most or all aspects of development. Mostly identified issues as cross-cutting in the field of Education are Gender, Environment and Sustainability, Human Values, Capacity-Building, Inequality and Climate Change. These are called crosscutting because they can't be taken as isolated issues, because they affect all other sectors. If these issues are not tackled, the successes will be very limited. So nowadays these topics should therefore be integrated and mainstreamed throughout all stages of development from policy design to implementation, evaluation and learning.

The Institution integrates Cross-Cutting Issues through the The curriculum of Semester-wise CBCS as prescribed by the Parent University in different Courses offered under B.a./B.Sc./B.Com. (Honours and General programmes. There are various such issues in the curriculum of Bengali (Honours/ General) programmes, Political Science (Honours and General) programmes, History (General) programme and Ability Enhancement Compulsory Course (AECC-2)/ Environmental Studies.

## 2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The institutions need to evaluate the effectiveness of their teaching strategically by measuring the extent to which students are learning the course materials in the classroom. Student assessment is a critical aspect of the teaching-learning process. As prescribed by the parent university our institution organizes periodical tests, unit tests, internal examinations, etc. to assess the learning levels of the students. All the above-mentioned tests and examinations are conducted regularly at the end of each semester. Apart from the adverse situation due to the COVID-19 pandemic, the institution successfully and efficiently organizes various tests and examinations in online, offline, and blended modes. However, no special programs for advanced and slow learners have been organized in the session due to the COVID-19 pandemic. After the reopening of the institutions, all assessments are organized in offline mode as it was before the lockdown and pandemic.

## 2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

Some methods and improvisations have been adopted by different departments. Our colleagues make the teaching and learning process more effective, some of which are mentioned below. 1. Departmental Seminars are organized, where the students, participate in organizing and conducting it. 2. Several Webinars are organized by several departments throughout the year, especially during the lockdown period, where eminent persons from relevant professional fields are invited as resource persons. The Students actively participate in organizing such seminars and are provided with participation certificates. 3. Department of Geography, Physical Education, Political Science and History organizes an educational field survey every year as a part of their course curriculum. Before going to the field study area, students do the pre-field work. 4. Experimental learning is done by the Lab-based departments, such as Geography, Computer Science, Physical Education and Commerce. The students perform the laboratory exercises and submit their practical notebooks for examination. 5. Throughout the year, the departments conduct various activities such as Quiz programs, Assignments, Tutorials, Remedial classes, Cultural activities, etc. These sort of participative learning under the supervision and valuable guidance of the knowledgeable faculty members of this college enhances and boosts the confidence level of the young students.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

The College has dedicated computer labs and smart classrooms. Each department is furnished with dedicated computers used for teaching- learning. Faculty members of the Departments like Geography,

Computer Science, Economics and Commerce use digital display pads with pens to ensure demonstration pedagogy. Arts departments like Bengali and English also present movie adaptations of texts and various topics. The College Library is on the way to becoming fully computerized. Photocopying and scanning facilities are

available. During the COVID-19 pandemic, ICT facilities were fully availed for conducting the classes (for both theory and practical), admission procedure, verification of relevant documents, and University registration. State-level webinars and studentwebinars were also conducted during the pandemic period. All the Teachers use Overhead Projectors to disseminate knowledge.

LCD Projectors are used to give PowerPoint presentations. E-Resources are also shared with students to augment their knowledge.

#### 2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

Saheed Anurup Chandra Mahavidyalaya has a well established tradition of transparent and robust mechanism of internal assessment subject to the regulations of the affiliating University. In the CBCS mode, the University has introduced the semester pattern. In the current system the Internal Assessment in this institution consists of attendance, and project/tutorial submission. Internal Assessment examinations are taken in all CC, GE, SEC, DSE and AECC Courses. Student counseling continues as part of the in-built teaching-learning strategy. In the CBCS system, other than normal class room teaching learning methods, if it is necessary for any student, the institution proposes some special guidance for the comparatively weak students like regular interaction with Departmental teachers and parent-teacher meeting.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

The institute maintains quite hard transparency while dealing with the internal examination-related grievances. The institution strictly adopts and follows all the directions given by the Parent University. Under the complete supervision of HoDs all evaluated and verified answer scripts are preserved. The marks obtained by the students in internal assessment tests are uploaded accordingly on the university web portal along with their attendance. Queries if any discussed with the faculty members and HoDs initially and also consulted with the principal.

If the students are facing any problem or any grievance arises during the conduction of the examination are considered and discussed with the head of the institution and if required forwarded to the university as early as possible. All issues related to results, corrections in marks obtained and other certificate-related queries are carefully addressed by the institution. Students are allowed to apply in writing for reevaluation, correction, recounting and challenge the evaluation by paying necessary fees to the university. All the queries, issues and grievances are followed accordingly till redressed by the university and a satisfactory solution of it within fifteen days.

## 2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

The institution presently offered six honors programmes in the subjects i.e. Political Science, History, Bengali, English, Philosophy and Geography and three general programmes i.e. B.A. General, B.Sc. General and B.Com. General. Therefore the institution has nine academic programme running under choice-based Credit System (CBCS). Both students and teachers are aware of stated programme and course outcomes of the programmes offered by the institution. Such that students complete the requirements for various honours and general degrees and after graduating they can opt the subject in their Masters degree in various universities. They can engage themselves in school teaching, and prepare for various competitive examinations like WBCS, UPSC etc. They can also appear in other competitive examinations that look for fresh graduates and can also develop communication skills, computer proficiency and other analytical efficiencies that help them in their further studies and in securing a good occupation.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The institution presently offers six honours programmes and three general programmes. Therefore the institution has nine academic programmes running under the Choice Based Credit System (CBCS). In the three years of honours and general courses under CBCS the curriculum consists there in a continuous evaluation of the attainment of programme and course outcome. The total programme outcomes and course outcomes are evaluated through various

internal, theory, tutorial and practical examinations. As prescribed in the CBCS, in the middle of each semester the institution conducts internal examinations and tutorial examinations are taken in the form of term papers or project work. Students' percentage of attendance is also evaluated. At the end of each semester theory and practical examinations are conducted by the Parent University. Evaluation of attainment of programme and course outcomes is done with the help of the results and marks obtained by the students. In the process of evaluation if any department lacks anything to get up to the mark at any point of time, then such loopholes are to be presented and discussed in the Academic - Sub Committee and IQAC where various democratic decisions are taken to check such loopholes and to make the attainment better in future.

### 3.3 - Extension Activities

3.3.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

1.The institution has active NSS corps functioning and students are actively encouraged to enroll in them for obvious reasons: chief among which is that it has helped many students to overcome their initial hesitation and has successfully transformed themselves as a much more confident individual. The NSS unit have enjoyed an illustrious past that includes not only successful placements but also different community outreach programmes that benefit the adjacent locality through different programmes like:

1.Voluntary blood donation camps

2.Health awareness camps

3. Regular environment-oriented activities

4.Clean-up activities

5. Tree-plantations.

\* The college has time and again hosted both virtual and physical open-access talks and seminars on such vital issues as

\* COVID-19 Awareness and Prevention

\* Mental Health and Problems

\* Gender issues and sensitization

.The college has undertaken the Swachh Bharat initiative through which Students and Teachers actively participate in the special cleanliness drives within the college premises and adjacent areas. Rallies on themes connected with 'Swachh Bharat Abhiyan' in and around the college campus are organized to create mass awareness on such issues.

## INFRASTRUCTURE AND LEARNING RESOURCES

### 4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc.

In our institution, there are immense adequacies of smart classrooms. Total of 9 smart classrooms in our college, 7 are funded by RUSA, 1 classroom is constructed by UGC Fund and 1 made from State Government Fund. In every smart classroom, there are computers, smart projectors, and whiteboards. Our experienced teachers use these ICT-based classrooms to teach our students. Public address systems and digital podiums (funded by RUSA) are present in each classroom.

Every department has its classroom as well as a steel almirah for keeping text and reference books, answer scripts, stationeries and other documents from where the teacher and student can use their required books. We also have well well-equipped & furnished computer laboratory where the student can avail practice sessions required for their compulsory computer courses. We also have two subject-based laboratories, one for Geography and another one for Physical Education. Every lab is well equipped with modern laboratory instruments along with computers, where the students do their practical work.

## 6.2 - Strategy Development and Deployment

### 6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

As per the perspective plans as pointed out in the 6.1.1 matrix, the institution is headed to executing those within a stipulated timeframe. Most of them have been already done from June 2021 to May 2022. Using the RUSA 2.0 Grant most of the infrastructural development has been made and some renovation works also have been completed. Overall 10 classrooms have been converted into smart classrooms with a projector facility and high-quality sound system for improving the teaching-learning system. Three new construction works started, namely Boy's and Girl's toilets, Staff toilets and the principal restroom with attached toilets. Six rooms including the computer and geography laboratory, library and students union room is air-conditioned. Construction of a new cycle stand has also been completed this year. In this session also, thousands of quality books as per CBCS syllabus are bought for the twelve different Departments of this institution. Various laboratory instruments are also arranged for the Department of Geography and Physical Education to improve their practical infrastructure as per the CBCS syllabus.

### 6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

Different committees and cells of the institution have prepared some plans and made some policies to develop and smooth work here. A total of twenty-two sub-committees (Academic sub-committee, finance sub-committee, etc.) have been constructed

with all the teaching and non-teaching staff. Likewise, five different cells (Career counseling cell, Anti-ragging cell, etc.) and clubs (Nature club, debate club, etc.) have been created. All members are divided into these sub-committees with different responsibilities. An online portal has been inaugurated to conduct online examinations to avoid the rush and manage the system smoothly with safety for all during the pandemic situation. The IQAC supervises the overall developmental work of the institution and NAAC committee visit preparation. The institution has different types of administrative setups ie, employees' appointments, approval and service rules to maintain related work, all these works have been managed by the Governing Body with proper procedure.

### 6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

All the teaching and non-teaching staff constitute the Human resources of the college. Academic and administrative performance diaries for each of the faculty members and support staff are maintained for monitoring the timely execution of academic plans

and for providing students services within the scheduled time. All the teachers and non-teaching staff have to fill out their daily diaries and subsequently submit them to the IQAC for verification and checking at the end of the semester. After the successful verification diaries need to be sent to the principal. The principal then keeps all the diaries in her custody for future reference. The IQAC of the college always keeps a close eye on the academic performance and progress of teaching and non-teaching staff. During an IQAC meeting, all these things are thoroughly discussed, and if any discrepancy happens from any part, the IQAC with their valuable suggestion, correct as early as possible. Moreover, IQAC always motivates its teaching and non-teaching staff to do something better in their fields which eventually can help the concerned teachers in their appraisal as well as provide some excellence and quality materials to the students.

**6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources**

The college is located in a remote and rural area. The college authority is always keen to maintain resource mobilization strategies for its optimal utilization as the college authority has very little funds. All the instruments are under the supervision of technical personnel. If there is any technical snag that happens it is brought under the higher authority. The authority will then take timely action. There is a shortage of classrooms in the college. The College authority has decided to use some rooms for a common purpose to make up the issues related to it. There is no auditorium facility in the college. In this case, a smart classroom is used for this purpose, moreover, a computer lab is used during different meetings whenever needed. The Department of Geography has been using its laboratory as a classroom for its students. The college hostel ground is used for field activities of the Department of geography and physical education. All the aged instruments are being replaced by new instruments and further, all these are placed wherever and whenever needed. Old sanitary and plumbing instruments are being placed in various rooms.

## 6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

IQAC of this college plays an important role in the quality assurance strategies and processes. Among the various initiatives taken by the IQAC to meet the standard of quality assurance of the

college, two of these initiatives are discussed below- 1. The IQAC of the college has initiated the seminar and webinar

programme during the academic session of 2022-23, a total of 5 departments have organized national and international level webinars in the previous session. Thousands of students and faculty from different colleges and universities have actively participated in these programmes and eventually made it a grand success. 2. Also several student seminars are organized by the different departments of the college and students are motivated by the teacher to join these programmes to build up their confidence in their academic excellence. All the departments are instructed by the IQAC to prepare an E-magazine and introduce faculty exchange programmes. All the departments presently using ICT techniques in teaching-learning procedures with 100% efficiency as per the IQAC instruction.

## 7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

### Best Practice-01: Beyond Curriculum Training on Value Added Courses

This best practice is included for making students industry ready and empowering them for employability, higher education and self-entrepreneurship.

#### Objectives of the Practice

- To bridge the gap between industry and academia
- To enhance soft skills to groom the students to make them smart and presentable in the job market
- To prepare students with some distinct skill set as per market demand for better employability.
- To prepare students with some distinct skill to show the avenues for interested students toward entrepreneurship.

### Best Practice 02: Community Development Initiatives:

Enabling humanitarian activities by the students leading to their

involvement in enrichment of living conditions for the socially and economically disadvantaged and overall community development.

#### Objectives of the Practice:

- To actively assist in the development of the economically and socially backward community of the remote villages in surrounding areas of the institute
- To encourage faculty, staff and students to be empathetic with the economically and socially weaker sections of the society by providing direct and indirect support and aids
- To encourage gender equity activities and issues in women and education.

### 7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

#### Institutional Distinctiveness: Holistic Development:

Academic development is not possible without extra-academic and co-academic/co-curricular development of a student because these are the tools which help to shape a student towards as a mature and responsible citizen of the country which is very vital for nation building. SACM since its inception 1991, emphasizes on such extra-academic activities due to the principles and ideologies of its founder - Martyr Anurup Chandra Sen, who was a freedom fighter. Since then, the college has focus on the holistic development of its students.

Distinctiveness is a unique identification and recognition of any Institution or Organization, usually for the betterment of the mass, which is built years long continuous focus and concentration on this particular identification of an institute/organization. In SACM, Holistic Development, which is essential and necessary for the overall growth of a student, has got a unique identification and recognition in the surrounding area of the district of South 24 Parganas. This is aligned with the mission and vision of the institute. Some of the major tools towards the holistic development of the students are through
